Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Let us share in God's message to inspire, fulfill, and guide us through our day to day lives as we travel on our worldly journey in search of spiritual growth and guidance. As I search and read and watch the events that are taking place all around us I have to ask, How much more can God allow to take place? When science starts trying to perform the same creations as God by cloning DNA to create animals, to genetically create food that is meant to be grown from the seeds of the food God created for...
