## Manual on Sample-based Data Collection for Fisheries Assessment: Examples from Viet Nam

By Per Johan Sparre, Food and Agriculture Organization of the United Nations

Food & Agriculture Organization of the United Nations (FAO). Paperback. Book Condition: new. BRAND NEW, Manual on Sample-based Data Collection for Fisheries Assessment: Examples from Viet Nam, Per Johan Sparre, Food and Agriculture Organization of the United Nations, This manual deals with the practical implementation of a routine data collection programme. This programme is developed through a top-down approach, from the identification of the objectives down to the practical recording and management of data obtained from the fishery. The issues are dealt with through both detailed discussion and by using simple examples. These examples are mostly based on situations in tropical fisheries and, in particular, experience has been drawn from developing a data collection programme in Viet Nam. The main questions addressed in the manual are which fisheries data to collect, where and when to collect them. Only data collected from commercial marine capture fisheries are considered (data from freshwater fisheries, cultured fish and experimental fisheries are excluded). The methodologies used are mainly appropriate for a tropical developing country with many small (artisanal) vessels and a few large (industrial) vessels. The methodology is the "sample-based approach" - the manual does not deal with a methodology that assumes complete enumeration. The...

### Reviews

*The book is not difficult in read through better to recognize. It really is writter in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication i actually have read in my individual daily life and may be he best book for possibly.*
